On the occasion of your leaving my office at the conclusion of your assignment to the Inspector General's staff, I wish to express to you my appreciation for your fine work during the time that you were here.

I also want to say that I am very pleased that you are going on to an assignment concerned with management training in the Office of Training. I consider this to be a very important aspect of our organization and one in which we need the assistance of experienced senior officers.

Sincerely,
